continued to get better," White said. "There are no superstars on this team, but they all play together."  
Central defender Cameron Bacigalupo said of the tournament, "We started out strong and kept up the intensity

throughout the tournament. ... After playing together with my teammates for the last two years, we figured out how each other plays, and we grew together, and got better as a team. It has really paid off this year."

Added midfielder Zach Shaw, who is also in his second year with Demolition, "I like playing on this team because of the competition. We played against some really good teams this year. It is really fun to have such good players on our team too, and most of us go to the same school."  
The Demolition used this

tournament to warm up for the Association Cup season ending tournament, which was played Jan. 5-6. The team traveled to Turlock Sports Complex in the Central Valley to play preliminary first-round games against American River Arsenal, East Fresno United and Windsor Wolves.
